No

652 of 7th March, 1945.

IMPORTANT

Following for 7495 from 7404.

Your letter of 15th February re films.

- A. Impossible arrange transport of films from here without special authority from London.
- B. Please note that films weigh approximately 3 tons. Local air authorities point out appalling waste of air lift caused by accidental despatch of films from London.
- C. B.O.A.C. are not able to carry such heavy material so suggest you get in touch with A.T.C. repeat A.T.C. your end and try to get them to instruct their Stockholm office to accept 3 tons of films.
